

GOOD THUNDER SPECIAL COUNCIL MEETING
Minutes of the Meeting
August 27, 2024

Mayor Robert Anderson called the meeting to order at 8:00am at City Hall at 130 S Ewing Street in Good Thunder, MN 56037. Councilors Scott Stoltzman, Tom Froehlich & Jon Brude were present. Councilor Amy Klammer was absent. Raece Johnson, City Maintenance, Sue Petty, City Clerk-Treasurer.

The pledge was recited, immediately followed by a moment of silence.

Agenda: Extending the Backyard Sewer Project 200 feet to the South to help eliminate some I & I and eliminate private sewer lines running through properties.

Discussion regarding easements needed to extend the Backyard Sanitary Sewer Project 200 feet to the south to connect Gene Kleinow, Dick's Locker, and Jerry Anderson's sanitary sewer lines. These lines are clay pipes and are old private lines that are in disrepair. The city would need easements from Marian Poehler and Donovan Companies Inc. The cost estimate to complete the work is an addition \$9000-\$11000. Mayor Anderson suggested running the lines individually into a manhole, which would help to see if there was excess I & I coming from Dick's Locker. Council asked Raece would reach out to Bolton and Menk and see if they had already completed title searches and let them know we are going to proceed with this extension.

Mayor Anderson asked for a motion to approve the extension of the Backyard Sanitary Sewer Project 200 feet south and to obtain the necessary easements for the project; Councilor Froehlich made the motion, councilor Stoltzman seconded; motion carried.

Community Comment: none

Adjourn: Councilor Froehlich made a motion to adjourn the meeting, Councilor Brude seconded; motion carried. Meeting adjourned at 8:25am.

Submitted Respectfully by:

Susan Petty, City Clerk/Treasurer
